Pre Purchase Information for Potential Buyer

Date of Pre-Purchase Exam: _____.

Seller Name: _____.

Buyer Name and Address:

_____.

Phone: _____.

Email: _____.

Name of Horse: _____.

Age of Horse: _____ . Breed: _____.

Intended Use/ Level of Horse:

Costs:

The items below will be performed at the pre-purchase examination:

Farm Call: \$50 minimum. Dependent on location

Prepurchase Clinical and Moving Examination: \$300.00

The clinical examination includes a basic evaluation of the horse's respiratory, cardiovascular, musculoskeletal and gastrointestinal systems as well as of their eyes, ears and mouth. During the moving evaluation, the horse will be examined at a walk and trot on a firm surface, and lunged at the walk, trot and canter in both directions on both a firm and arena surface if possible. In addition, flexions of the forelimbs and hind limbs will be evaluated. The limbs and back will palpated as well. Following the moving examination, the horse will proceed to radiographs if elected by buyer.

*****The following items are recommended but only performed upon request******

Radiographic Examination:

The seller can elect not to take radiographs or take fewer views than recommended acknowledging that it is not advised.

Recommended Minimum Radiographs:

Front feet (LM, DP, Navicular skyline and Navicular DP) 4 views per foot

Hocks (LM, DP, DMPLO and DLPMO) 4 views per hock

Stifles (LM, CaCr, oblique) 3 views per stifle

Hind Feet (Lm and DP) 2-4 views per hind foot

Fetlock views (LM and DP) 2 views per fetlock

Back(spine) 4-5 views

****Additional radiographs may be recommended based on the exam findings and/or requested by buyer.***

Price Break down for Radiographic Examination:

Individual Radiographs up to 4 views: \$90 per view

Individual Radiographs between 5-15: \$72 per view

Individual Radiographs between 16-19: \$65 per view

Individual Radiographs more than 20 views: \$55 per view

Basic Blood Work (Large Animal Profile): \$250

Additional blood work may be suggested based on exam findings and breed.

Coggins: \$120

If not current

Health Certificate: \$40

PrePurchase Drug Screen: \$375

includes targeted detection and quantitation of caffeine, clenbuterol, etodolac, firocoxib, flunixin, ketoprofen, ketorolac, methocarbamol, oxyphenbutazone, piroxicam, phenylbutazone, and theobromine, acepromazine, chlorpromazine, detomidine, fluphenazine, reserpine, and xylazine; and detection of cetirizine and any other drugs identified through untargeted screening.

By signing this the buyer is stating that they are aware of and agree to the prices stated above and acknowledge that electing to not perform any of the above recommended items is at their own risk. Signing this does not require the buyer to have any of the above services performed.

Signature of Purchaser/Buyer Agent: _____.
